

La Casa Verde (Spanish Edition)

Novela ejemplar en la historia del boom latinoamericano, La Casa Verde es una experiencia ineludible para todo aquel que quiera conocer en profundidad la obra narrativa del Premio Nobel de Literatura 2010 y Príncipe de Asturias de las Letras, Mario Vargas Llosa. ¿Cual es el secreto que encierra La casa verde? La Casa Verde ocurre en dos lugares muy alejados entre si: Piura, en el desierto del litoral peruano, y Santa Maria de Nieva, una factoria y mision religiosa perdida en el corazon de la Amazonia. Simbolo de la historia es la mitica casa de placer que don Anselmo, el forastero, erige en las afueras de Piura. La Casa Verde (1965) recibio al ano siguiente de su publicacion el Premio de la Critica y, en 1967, el Premio Internacional de Literatura Romulo Gallegos a la mejor novela en lengua espanola. Julio Cortazar dijo...La Casa Verde es maravillosa.
