

Lake Victoria - A Narrative of Exploration in Search of the Source of the Nile

This early works on Lake Victoria is a fascinating and extensively illustrated look at the explorations in search of the source of the Nile. It will appeal greatly to any historian or traveller. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
