During a CIA budget war, a group of assassins mistakenly triggers an ingenious CIA plot originally planned in the 1950s - and a long-dormant network of government-sanctioned assassins are unleashed upon the capitals of Europe. A worldwide killing spree of top-level Russian officials begins. Only the Destroyer, with the all-wise Chiun and the ever-wild CIA Agent Rub Gonzalez, can stop them from reaching their primary target - the Soviet Premier. Remo must protect him, and keep the fragile, cold peace intact ... or else risk a catastrophic world war. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.
