

## Le Petit Prince (The Little Prince) in French / Boxed Edition (French Edition)

Imaginez-vous perdu dans le désert, loin de tout lieu habité, et face à un petit garçon tout blond, surgi de nulle part. Si de surcroît ce petit garçon vous demande avec insistance de dessiner un mouton, vous voilà plus qu'étonné ! À partir de là, vous n'aurez plus qu'une seule interrogation : savoir d'où vient cet étrange petit bonhomme et connaître son histoire. Ouvrez alors un monde étrange et poétique, peuplé de métaphores, décryptez à travers les paroles d'un petit prince qui porte aussi sur notre monde un regard tout neuf, rempli de naïveté, de fraîcheur et de gravité. Très vite, vous découvrirez d'étranges plantes, peuplées d'hommes d'affaires, de buveurs, de vaniteux, d'allumeurs de réverbères. Cette évocation onirique, à laquelle participent les aquarelles de l'auteur, a tout d'un parcours initiatique, où l'enfant apprendra les richesses essentielles des rapports humains et le secret qui les régit : On ne voit bien qu'avec le cœur, l'essentiel est invisible pour les yeux. Œuvre essentielle de la littérature, ce livre de Saint-Exupéry est un ouvrage que l'on aura le cœur de raconter à son enfant, page après page, histoire aussi de redécouvrir l'enfant que l'on était autrefois, avant de devenir une grande personne
