

Big Brother (Panorama de narrativas) (Spanish Edition)

Inspirada en la experiencia autobiografica de la autora, cuyo hermano mayor padecio una obesidad que le provoco un fatal ataque al corazon, esta novela es una satira feroz de las familias felices y de una sociedad desquiciada, que se obsesiona con el culto al cuerpo y al mismo tiempo publicita y consume toneladas de comida basura. Pero es tambien una indagacion en las complicadas relaciones entre hermanos, en el complejo de culpa y la necesidad de redencion, en la lucha por salvar de la autodestruccion a las personas a las que queremos y a nosotros mismos. Su mejor novela hasta el momento... Preparaos para algunos episodios brutalmente viscerales. Pero ¿quien podia pensar que una novela sobre la dieta podia ser tan conmovedora y desbordante de suspense? (Amanda Craig, The Independent).
