

## The Plague and The Outsiders (Chinese Edition)

This book collects two works of Albert Camus who is a French well-known modern existentialist litterateur: The Plague and The Outsiders. They are the most important works of Camus, and listed as one of the greatest literatures in modern world. The Outsiders tell us that people feel lonely and lost control of destiny in an absurd world; and The Plague describes that people has a completely different altitude in an absurd world: they feel the life happiness when struggling.
