

Little Girl Lost 2: The Napoleon Bentley Connection

Local mob boss, Napoleon Bentley, has been obsessed with 16 year old Johnnie Wise ever since he tricked her into sleeping with him. Johnnie, too, wants to see him again, but she's confused. She doesn't understand how she can love her boyfriend, Lucas Matthews, yet the one night stand with Napoleon continues to linger in her mind and she finds herself wanting him to pursue her, but she would never ever admit to something so deceitful. Meanwhile, The Chicago Mob has his plans to takeover New Orleans while Napoleon is preoccupied with romantic ambition of the forbidden nature. They've dispatched a couple of goons to send Napoleon and his bald partner to the morgue with extreme prejudice. Lucas wants to earn enough money to leave Napoleon and New Orleans for good so he decides to choose a life of easy money, but the cops are watching his every move.
