Does she deserved to be love all over again? Destiny Love Deceit A perfect story of passion, destiny, deceit , heartbreak and love romance. Come and find out this sexy rich romance love story that is surrounding in the Her Second Love Series. Heres a short snippet of the content: Have a good time, there was the smile that made her tingle all over, and Ill see you Monday, he paused, his mouth open and she watched Mr. Whiting bite his lip as if he had something else to say he suddenly thought better of. Without another word, she watched him quickly walk down the hall, leaving her to stand there and wonder once more what she thought about him. From Author Kelly Kathleen Carolyns last relationship didnt just end, it imploded. Her fiance, a seemingly perfect man, that is right up until the moment she came home and caught him in bed with another woman, didnt just break her heart, now, six months later, she is sure it changed her life forever. After moving, changing jobs, and completely erasing the man she had pictured standing at the alter with, she feels like shes finally getting back on track. Her girlfriends all say its time to start dating again, theres no point in someone her age staying home night after night and Carolyn would like to agree, but she is alarmed to discover the only man she seems to be attracted to is her boss. Carolyn cant for the life of her figure out why either. Hes demanding and short-tempered, the man barely has two words to say to her, but its something beyond just being physically attracted to him, although as handsome as he is, theres no discounting his looks, but she feels Mr. Whiting may be a kindred spirit. And yet she felt he is mysterious in some ways. After a late night spent in the office, Carolyn knows the attraction is mutual but so is the hesitation. Two hearts, barely healed; it seems like the recipe for disaster, or maybe the love of her life. Is Mr

Whiting her Second Love or he is just another fail relationship? Will Carolyn ever start over again after all the past hurts she received?
