

## Catching Feelings for a Thug

Honey Love is anything but sweet. Her killer curves and cutthroat attitude make her a force to reckon with when it comes to the men she preys on. All about her paper, nobody can stop her from finding a way to get it. That is, until she meets Fella, a smooth talking player with all the right moves. Honey tries to stay focused on the money, but she may have just met her match. When she takes extreme measures to have him all to herself, she creates more enemies than she can handle, and her scorned lovers aren't ready to give up the Honey pot. Can she stay afloat and keep her prized baller all to herself, or will she get stung in the game of love?
