

Lovecraft: A Look Behind the Cthulhu Mythos : The Background of a Myth That Has Captured a Generation (Starmont Popular Culture Series)

James A. Bailey and P. T. Barnum first joined forces to produce a double show in 1881--a royal coupling--inaugurating the Golden Age of the American circus. This book details some of the activity leading up to that notable landmark in amusement history, particularly during the decade of 1871-81. Complete with notes, bibliography, index, and contemporaneous illustrations.
