

Galsworthy Five Plays: Strife; Justice; Eldest Son; Skin Game and Loyalties (World Classics)

John Galsworthy (1867-1933), novelist and dramatist, is most widely known as the author of *The Forsyte Saga*, but recent productions testify to the power that his plays still exert over modern audiences and the strength and relevance of the issues he raises. In *Strife*, Galsworthy deals with industrial relations; in *Justice*, with prison life - it was one of the few plays to effect real reforms. *The Eldest Son* is also about injustice - one law for the rich, another for the poor; *The Skin Game*, Galsworthy's first commercial success, presents class conflict; while *Loyalties*, a crime drama, is about division and prejudice. John Galsworthy is a winner of the Nobel Prize for Literature
