Lucia Jordan is proud to release a new outstanding collection containing four of her Bestselling Series. **Hush:** Havent you ever wondered what if? You and me. Just once... To Allie, Jack had always been like a brother and a best friend. Despite her finding him irresistibly attractive, they just seemed to have an understanding nothing could happen between them. So when her ex Brian leaves her in the lurch before her birthday, her best friend takes it upon himself to show her a good time she badly needs. But after a fun filled night of dancing and club hopping, Jack and Allie find the intense attraction between them too difficult to ignore. Will they agree to see where their lust takes them? **Saved:** Kelly Day leads a life of boring routine. So when she notices an advertisement for a local community theater production, something deep within her stirs and she finds herself filled with a spontaneous new impulse to audition for the play. But first she needs someone to help her find some much needed courage in herself. Dominic Blunt is a gorgeous young actor and owner of the theatre company. With a piercing gaze and a body to die for, he might prove to be just the forceful guiding hand she needs in more ways than one. Determined to break through Kellys inner walls, he attempts to help Kelly find her courage by exploring her talents, her potential and her sensuality. But will Dominic push Kellys boundaries, in more ways than one? **Ravaged:** Rachel Wheeler is a yoga instructor and owner of the struggling new studio, Living Lotus. Desperately needing to build her clientele base, she agrees to provide private rehabilitation lessons to the wealthy entrepreneur Shane Sutherland who is recovering from a ski injury. When Shane begins working with her, he develops a strong interest in more than just her expertise. He cant stop fantasizing about the beautiful yoga instructor and getting his hands on her toned and flexible

body. For Rachel, Shane sparks something in her she's never felt before. It's more than just the sheer physicality of his presence and his seductive good looks, the energy that wafted from him was nothing short of animalistic. Soon the two give into a tantric exploration of each other's pleasure, but what happens when Rachel discovers secrets about Shane that even their passion might not be able to overcome? Bad Boy: Megan has worked hard to make a life for herself in the competitive, male-dominated biker world. Although she sees plenty of bad boys come rolling through the doors of her shop, she fiercely follows her rule to never again date a customer. The last thing she needed was another bad boy to ride in on a motorcycle and lay waste to her heart and life. But Greg Holmes is not your typical biker. A sinfully gorgeous lawyer with a love of fast bikes and custom chrome, he's a bad boy, no doubt about it. And unknown to Megan, this bad boy also enjoys indulging in vices of a more intimate nature. Megan is determined not to break her hard and fast no-date rule, not even for Greg. But he is determined to seduce her. Just what Megan didn't need, but everything she wanted. It doesn't take long for things to get racy. Only mature readers should download this book.
