

Lucky Us: A Novel

NEW YORK TIMES BESTSELLER
NAMED ONE OF THE BEST BOOKS
OF THE YEAR BY THE WASHINGTON
POST AND O: THE OPRAH
MAGAZINE
My fathers wife died. My
mother said we should drive down to his
place and see what might be in it for us.
So begins this remarkable novel by Amy
Bloom, whose critically acclaimed *Away*
was called a literary triumph (The New
York Times). *Lucky Us* is a brilliantly
written, deeply moving, fantastically funny
novel of love, heartbreak, and luck.
Disappointed by their families, Iris, the
hopeful star and Eva the sidekick, journey
through 1940s America in search of fame
and fortune. Iris's ambitions take the pair
across the America of Reinvention in a
stolen station wagon, from small-town
Ohio to an unexpected and sensuous
Hollywood, and to the jazz clubs and
golden mansions of Long Island. With
their friends in high and low places, Iris
and Eva stumble and shine though a
landscape of big dreams, scandals,
betrayals, and war. Filled with gorgeous
writing, memorable characters, and
surprising events, *Lucky Us* is a thrilling
and resonant novel about success and
failure, good luck and bad, the creation of a
family, and the pleasures and inevitable
perils of family life, conventional and
otherwise. From Brooklyn's beauty parlors
to London's West End, a group of
unforgettable people love, lie, cheat and
survive in this story of our fragile, absurd,
heroic species. Praise for *Lucky Us*
Lucky Us is a remarkable accomplishment. One
waits a long time for a novel of this scope
and dimension, replete with surgically
drawn characters, a mix of comedy and
tragedy that borders on the miraculous, and
sentences that should be in a sentence
museum. Amy Bloom is a treasure. Michael
Cunningham Exquisite ... a short, vibrant
book about all kinds of people creating all
kinds of serial, improvisatory lives. The

New York Times Bighearted, rambunctious ... a bustling tale of American reinvention ... If America has a Victor Hugo, it is Amy Bloom, whose picaresque novels roam the world, plumb the human heart and send characters into wild roulettes of kismet and calamity. The Washington Post Blooms crisp, delicious prose gives [Lucky Us] the feel of sprawling, brawling life itself... . Lucky Us is a sister act, which means a double dose of sauce and naughtiness from the brilliant Amy Bloom. The Oregonian A tasty summer read that will leave you smiling ... Broken hearts [are] held together by lipstick, wisecracks and the enduring love of sisters. USA Today Exquisitely imagined ... [a] grand adventure. O: The Oprah Magazine Marvelous picaresque entertainment ... a festival of joy and terror and lust and amazement that resolves itself here, warts and all, in a kind of crystalline Mozartean clarity of vision. Elle
