

Imperium (Cicero Trilogy)

Ancient Rome is the setting for the stunning new novel from Robert Harris, the number one bestselling author of *Fatherland*, *Enigma*, *Archangel* and *Pompeii*. When Tiro, the confidential secretary of a Roman senator, opens the door to a terrified stranger on a cold November morning, he sets in motion a chain of events which will eventually propel his master into one of the most famous courtroom dramas in history. The stranger is a Sicilian, a victim of the islands corrupt Roman governor, Verres. The senator is Cicero, a brilliant young lawyer and spellbinding orator, determined to attain imperium - supreme power in the state. This is the starting-point of Robert Harris's most accomplished novel to date. Compellingly written in Tiro's voice, it takes us inside the violent, treacherous world of Roman politics, to describe how one man - clever, compassionate, devious, vulnerable - fought to reach the top.
