

SORCERER (The Elemental Magic Series Book 1)

EDITED---Alec Carter is a young man being raised by his Aunt Karen. When he is admitted to the Kings Academy he hopes he will follow in the footsteps of his father. When he finds out that he has magic within him it changes everything. Forced to enroll as a sorcerer he has more of an interest in the martial studies than he does magic until he meets Christi, a fellow sorceress. The wizards at the school shun him and a few go beyond just ignoring him. With the war that killed his father on the horizon Alec must learn to blend in with the nobles and avoid the notice of the gods who fear his powers.
