

Main Bitch Dreams, Side Bitch Status

What is meant to be will be. That's how the saying goes but will that saying hold true for Quan and Bianca? He's everything she's ever wanted in a man. He has the looks, the drive, ambition, street credibility, and to top it off he treats her like the queen she is. There is only one problem; like most men he has a wandering eye. She is his all. She possesses everything a man could want in a woman. Beauty, brains, a banging body and street sense. But is all of that enough to keep Quan's attention? They say love conquers all but after a night out with the fellas, Quan's attention is captured by another. Mistakes are made and what Quan does in the dark comes to the light for Bianca. Will one wrong move cost Quan his future? Will one weak moment result in a lifetime of heartache for the couple who appear to have it all? Step into the lives of these two lovers and see if love will overcome all.
