

Atalantis Major

Most famous for his novel Robinson Crusoe. Defoe is noted for being one of the earliest proponents of the novel, as he helped to popularise the form in Britain with others such as Samuel Richardson, and is among the founders of the English novel. He was a prolific and versatile writer, producing more than five hundred books, pamphlets, and journals on various topics, including politics, crime, religion, marriage, psychology and the supernatural.

* * * By early in 1710 it had become obvious that the Whig Ministry of Sidney Godolphin was unable or unwilling to negotiate an end to the long, expensive, and consequently, unpopular war with France. The quarrel between Queen Anne and her confidante, the Duchess of Marlborough, smoldered until, on 6 April 1710, the breach between them became final. Atalantis Major is a thinly veiled allegory describing the November 1710 election of the representative Scottish peers. The circumstances which surrounded this election were produced by the outcome of the previous months General Election -- a landslide for the Tories -- and, to understand these circumstances, the impact of that Tory victory must be seen within the context of the political events of 1710...
