

The Golf Gods

Imagine if you suddenly found yourself in a world where golfing is a way of life. Each morning, the people of this world wake up to play golf and work on their courses. They are paid according to the condition of their courses and any improvements made. Every course reflects its owners persona. You are the course inspector. You work for the Golf Gods. You are responsible for inspecting the condition of each course. You meet people like Slow Hand Sunn, Betting Thomas, Mangled Mandie and many more. You find yourself involved with night-golfers and in conflict with the Committee of Moral, Ethical and Economic Development. This world will take you on a spiritual quest that is both enlightening and thought provoking. It is an astonishing and educational journey. With the help of a mystical book and a mysterious guide, this is one journey not soon to be forgotten.
