

Off the Beaten Path in Alaska: A Remarkable New Guide to Uncrowded, Economical, Out-of-the-way Places to See and Stay in the Big State

If you're coming to Alaska and want to enjoy the north the way Alaskans do, you need this remarkable book! This book is an entirely different--fun to read!--kind of guidebook for the Alaska visitor. It takes you to the uncrowded, untouched, unhurried resorts and lodges that Alaskans themselves prefer. You'll read of remote Arctic villages. You'll learn of pathways and waterways that most visitors unfortunately miss when they travel north, because they don't know about them.
