Mimi Finnegan is back and funnier than ever! Mimi has it all. She's marrying the love of her life, about to have his baby and is moving into the house of her dreams. A note from the author: PLEASE watch this video before buying the book! https://www.youtube.com/watch?v=IM6_eNc6n-o Things couldn't be better! Until her wedding, that is, when everyone toasts to her perfect life. Not one to tempt the fates, Mimi is sure her loved ones are jinxing her future happiness. Enter pregnancy drama, aristocratic in-laws and catastrophic postpartum depression. Mimi's journey is hilarious, heart-warming and borderline insane. Hormonal hell leaves her questioning her husband's origins, prepping for the end of the world and wondering if her sanity will ever return. This book is for every woman who understands that love, laughter and tears are the very foundation of being a wife, mother and daughter-in-law. While this book is a sequel to *The Reinvention of Mimi Finnegan*, it also reads as a standalone.
