

Miss Mezzanine

Jass Dietrich has everything a college senior could dream of: solid grades, a supportive girlfriend, and cushy job waiting for him the moment he graduates. But then, on his last spring break trip, he meets and falls for Annabelle, the mysterious free spirit who challenges him to reconsider his plans. When Jass returns to campus, he finds himself finally facing the questions he had avoided for so long: Is it too late to change career paths? Are he and his girlfriend truly meant to be together? And will he ever see Annabelle--the girl who left an imprint on his heart--again? Miss Mezzanine is a story of heartache and heartbreak, of self-exploration, and of summoning the courage to buck convention. Jass embodies every college student who has ever second-guessed his or her future, and his plight can be appreciated by anyone who, upon reaching one of lifes turning points, has suddenly realized that the road they were intending to take might not actually lead to the life they want to live.
