

Sacrifice of One (Navy SEAL Grant Stevens Book 4)

Vietnam - Operation Redemption Funded by the CIA, the covert op to rescue five American POWs in Vietnam ended in failure. For Grant Stevens and his SEAL Team, the SAR mission was one of the most emotional they ever attempted, one theyd never forget. Years later - The news hits the Agency like a bombshell. American POWs are still being held...but not in Vietnam. Is it possible these are the same five men from the failed mission? To Stevens this matters little. These men must be brought home. Not often in his line of work does a second chance come along, but hes about to get that second chance. This time hell make it right...even if it means making the ultimate sacrifice.
