

Monterey Wildlife: A Folding Pocket Guide to Familiar Species of the Monterey Peninsula (Pocket Naturalist Guide Series)

One of the most varied and spectacular natural areas in California, Monterey's pristine beaches and rich forests are teeming with wildlife including sea otters, sea lions, monarch butterflies and over 400 species of birds. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, seashore creatures and butterflies/insects and includes a map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
