

Moon Denver (Moon Handbooks)

Journalist Mindy Sink has lived in Denver for more than 15 years, and she shares her insiders perspective on the Mile High City with interested travelers. Sink covers must-see sights such as the Colorado State Capitol Building and Confluence Park, plus local secrets like the Dikeou Collection, an international contemporary art collection on display to the public in a downtown office building. She also includes unique trip strategies for a variety of travelers, such as An Almost-Free Day in Denver and 10 Places to Go on a Snow Day Without Heading to the Slopes. With detailed information on restaurants and nightclubs in LoDo and nearby outdoor recreation like kayaking and bouldering, Moon Denver gives travelers the tools they need to create a more personal and memorable experience.
