

Mountain Biking Michigan: The Best Trails in the Upper Peninsula (Mountain Biking Michigans Best Trails)

Tired of crowded mountain bike trails? Bored of riding through scenery that is little more than mowed farm fields and gravel pits? The head north to the great Upper Peninsula of Michigan! In this special region above the Mackinac Bridge, the trails are plentiful, the wilderness scenery is outstanding and the chances of encountering wildlife from the seat of your bike - deer, bald eagles, possibly even a black bear - are better than anywhere else in the state. Outings include rolling through a stand of virgin hemlock on Brunos Run near Munising, stopping to enjoy the waterfalls of the Porcupine Mountains State Park, taking a ferryboat to mountain bike around Grand Island, and boarding the Algoma Central Railroad to be dropped off in the wilderness north of Searchmont Resort. The Best Trails in the Upper Peninsula: More than 40 trails across the Upper Peninsula for off-road cyclists are covered in complete detail. Ten road routes are also included that can be enjoyed on a mountain bike or a road bike. Photos and trail maps of every biking area. Accurate milage, easy-to-follow directions to trailheads and Trip Cards for every ride.
