

Muerte en Blackheat (Spanish Edition)

Greenwich, 1897. Una de las mujeres del servicio de la mansión de Dudley Kynaston, un ministro con acceso a algunos de los secretos más peligrosos del gobierno, aparece brutalmente asesinada y mutilada. Se descubre así una trama de chantajes enmarcados en la política internacional y la carrera armamentística europea del momento. / As commander of the powerful Special Branch, Thomas Pitt has the job of keeping Britain safe from spies and traitors. So there's no obvious reason why he is suddenly ordered to investigate two minor incidents: the blood, hair, and shards of glass discovered outside the home of naval weapons expert Dudley Kynaston, and the simultaneous disappearance of the Kynastons' maid.
