

My Little Husband (Dedalus Euro Sorts)

The diminutive Leon is the envy of all Paris when he becomes engaged to the successful stomatologist and ravishing 6ft beauty Solange, who leaves no man unstirred - including the priest who weds them. The dutiful husband happily ignores jealous remarks about the union of giraffe and zebra as he sires one beautiful baby after another. But as his domestic bliss with Solange continues and their brood grows, Leons body begins to shrink - with the exception of one vital organ - until the medical marvel is scarcely taller than a thimble. Can Solanges love for her Little bighorn survive his diminished status, the onslaught of suitors at her door and his nocturnal abseiling down her body? Will Leon escape the paws of the family cat and the murderous thoughts of his children embarrassed by their fathers s size?
