

My Name is Legion

From acclaimed action author David Morrell comes a short thriller based on bizarre actual events. On a blistering desert landscape in World War II, two armies face each other. One belongs to the legendary French Foreign Legion, but the other belongs to the French Foreign Legion also, one side working for the Allies, the other for the Germans. In this vivid historical recreation of one of the strangest battles in modern warfare, a terrible twist of Fate compels comrades-in-arms, who trained together, ate together, and slept in the same barracks, to become mortal enemies. David Morrell is the prize-winning author of *First Blood*, the novel in which Rambo was created. His numerous New York Times bestsellers include the classic espionage novel, *The Brotherhood of the Rose*, the basis for the only television miniseries to be broadcast after a Super Bowl. An Edgar, Anthony, and Macavity nominee, Morrell is a recipient of the International Thriller Writers prestigious Thriller Master award. Nobody does this kind of thing better than David Morrell. Lee Child, New York Times bestselling author of *The Affair* A titan among thriller writers. Joseph Finder, New York Times bestselling author of *Buried Secrets*
