

## Barrio Hollywood (Spanish Trans.)

Drama / 2h, 2m / Interior/Exterior En Barrio Hollywood, un tenso drama familiar, un joven boxeador Mexico-americano suena con pelear para encontrar una salida a la difícil situación económica de su familia en el barrio. Su hermana, una apasionada bailarina de ballet folklórico y dedicada artista cultural, suena con ser dueña de su propio estudio de baile para pasar sus tradiciones mexicanas a las próximas generaciones. Su excéntrica madre suena con tomar sus ganancias del poker y tomar unas largas vacaciones en las Islas Canarias. Los sueños familiares se detienen cuando el joven boxeador sufre una lesión brutal en la cabeza en el ring de boxeo. Mientras la condición de su hermano empeora y su amor por el doctor americano crece inesperadamente, la bailarina y su familia aprenden que tan lejos pueden ir en el nombre del amor.
