

The Redemption of Sarah Cain {Unabridged} {Mp3} {Audio} {Mp3 Audio}

Beverly Lewis, the best-selling author of *The Shunning* (RB# 95488), offers listeners a moving tale of love and spiritual awakening. In *The Redemption of Sarah Cain*, she examines the conflict between two very different cultures. Sarah Cain is a strictly modern woman living in Oregon and developing a burgeoning career in real estate. Her sister Ivy left to pursue a Plain life in Amish country 12 years ago. But when Ivy dies, Sarah is shocked to learn that she has been appointed guardian of her sisters five children. Lydia, the eldest, senses major difficulties for the new family. Neither she nor Sarah are truly prepared for the drastic changes they will have to make in order to honor Ivys last wish. With hope and tenderness, Lewis guides Sarah and the children on their journey of religious fulfillment. Barbara Carusos tender narration lends a sensitive charm to each of the characters.
