

Boulevard Dreams

Some stories are meant to be told, and others are not. There are certain things for everyone to know, and certain things that should be taken to the grave. When the truth is told, secrets get revealed and peoples lives can be changed forever. Telling the stories that werent meant to be told is a big riskand I took that risk. Boulevard Dreams is a collection of short stories packed with action, violence, love, money and all the elements of the street. As real as it gets, Boulevard Dreams is unlike any other book. 5 stories; Janayshas Story, Rock Em To Sleep, Last House on the Block, Picture That, and Stick to the Script are guaranteed to awe readers and provide insight into the lifestyles of some of the most ruthless and cutthroat people on the face of the Earth.
