

Red Wind

When a military jet goes down off the California coast, killing the Secretary of the Air Force, its a tragedy. When another jet crashes with the Undersecretary of State on board, its cause for investigation. When a member of the State Department is found shot in the head, his top-secret files missing, it becomes a national crisis. The President turns to Commander T.C. Bogner, the only man he knows he can trust to uncover the mole and pull the country from the brink before the delicate balance of power is blown away. .
