

Shameful: A Prequel to Shameless

This short ebook is a prequel of Rebecca J. Clarks full-length contemporary romance SHAMELESS, that can be read either before or after reading the novel. SHAMEFUL tells the prologue of SHAMELESS in Samanthas point of view... Sammy Jo was a good girl and always played by the rules. Okay, maybe that makes her a little boring. But tonight, she was breaking out of her shell. She was sneaking out of her house and going to a college party with her best friends. So what if her instincts told her she was making a big mistake? Instincts arent always right, are they?
