

## About Hana: Love and Intrigue in the Stunning New Zealand Wilderness (The Hana Du Rose Mysteries Book 1)

From New Zealand author, K T Bowes. Awarded a 5 star review by Readers Favorite. Hana, have you seen that new head of English? Logan something. Hes got the nicest backside Ive ever seen. Like two little peaches... The new head of English has caused a stir but only seems to have eyes for young widow, Hana Johal. Shes not in the market for a relationship, but when a gang targets her property and then attacks her, she needs a hero. Logan Du Rose might be gorgeous and a gifted teacher but he is more than that. He is a Maori leader by birthright and has a hidden life that only the very select know about. He doesnt just want to solve Hanas problems, he intends to claim her heart. Everything depends on it because its all about Hana. This is the first part of a serial and is followed by Hana Du Rose and Du Rose Legacy.
