

Journey Into the Mystic

If you could save the earth from its sins, how much would you sacrifice? After a tragic accident, Joel panics and runs for Alaska. Followed by the FBI, CIA, and a bizarre woman whom he meets on a train, Joel finds himself truly on a journey into the mystic. In order to unravel a dilemma that grants him the summer of his life, he must delve into Native American Mysticism, genetic tampering, and into his own heart.
