

Odin: Gods of Wrath Security and Investigation (Gods of Wrath Security Agency Book 1)

Navy SEAL Odin Byrne believes in two things, the SEAL code of honor and the ability of his Team. When he loses one of his brothers-in-arms, he loses a part of himself. Starting afresh with his Team and back home in Boston, Odin has only one focus, his uncle Declans security and detective agency, The Gods of Wrath. A new team member is the last thing Odin wants, especially an ex-con who is hot as hell and mouthy to boot. Fighting for control of his agency, his heart, and his damn hormones, isnt easy. When a new case threatens those closest to him, Odin must work with his adversary to bring a murderer to justice. Simple, apart from the memory of his lips on hers, and that one hot night. Jasmine McCarthy is starting a new life in Boston. After three years in an Irish prison for a crime committed by her ex-husband, she craves a new start, a new chance. When her friend Declan Byrne gifts her a part of his agency, Jasmine see it as her duty to join the team and follow his wishes, regardless of the opinion of her formidable new boss, Odin Byrne. The pig-head arrogant Ex-SEAL would be a lot easier to ignore, if she hadnt already had a taste. Jasmine and Odin want nothing more than to stay the hell away from each other, if only chemistry and fate would play ball
