

Off Camera Affair 1 (The Motor City Drama Series)

BOOK DESCRIPTION: Kai Lewis is a TV reporter with the inside scoop on Detroit's juiciest corruption scandals. Years ago, her affair with Frank Anderson, the very handsome but very married lead news anchor, had taken her body, soul, and career to new heights. But Kai's thrill ride with Frank ended in an unspeakable tragedy. Now, she avoids his advances, despite the deep feelings she still has for him. Anxious to move on, Kai initiates a summer fling with Deandre Grant, a sexy NBA player with mind-blowing bedroom skills. Soon, Kai finds herself hungering for more than a casual relationship, and she's overjoyed when Deandre confesses that he feels the same way. Unfortunately, their beautiful beginning is tainted when their relationship hits two major roadblocks: Kai's sister, LaNaya, a video vixen and exotic dancer, who gets caught up in a sexy webcam operation with dangerous consequences; and Janice, Deandre's deranged baby-mama. On a business trip to Atlanta, Kai discovers something about Frank, her former flame, that changes her perspective on the past. Will this new information open the door for reconciliation with him, or will she go all the way with Deandre? Kai reports the news every day, but there is much more drama off the air, when it comes to her own life. This novel is a tale of fate, desire and the unexpected. **EXCERPT:** Although Deandre hadn't popped the question yet, all signs point to us jumping the broom. He had been to three Sunday dinners in a row at Mamas house, and we would be flying, first-class, to Atlanta together the following weekend. He'd even invited me to training camp to watch him work out. I sat in the bleachers, cheering him on, along with all the other basketball wives and girlfriends. Most of them were half a decade younger than me, with bodies sculpted by a plastic surgeon's scalpel, but the passionate way Deandre kissed my lips at the end of

practice made me feel like the most beautiful woman in the arena. Now, I sat on the couch next to him as he popped open a bottle of champagne and poured us each a glass. He handed one to me and said, Id like to make a toast to the smartest, sexiest, most passionate woman Ive ever known. I smiled as we clinked glasses. Wow! Youre gonna give me a big head talking like that. Reeses, youve got everything a man needs. Plus, you make your own money. Im always worried about gold-diggers, but I know thats not something I have to worry about with you. Thats one of the reasons why I love you. I blinked at him, wondering if Id heard him right. I had waited for months to hear those three words. I was so excited I could scream. He stroked my face. Ive been waiting a long time to tell you how I feel, Reeses. Yes, I love you. Its been so hard to keep it inside. Joyful tears filled my eyes. Oh, Deandre! I love you too! He kissed me with so much emotion that my whole body trembled. Minutes later, we were in his king-sized bed and I did something between the sheets that shocked us both...
