

On Dublin Street

On Dublin Street by Samantha Young is the hottest new romance bestseller. Jocelyn Butler has been hiding from her past for years. But all her secrets are about to be laid bare ... Four years ago, Jocelyn left her tragic past behind in the States and started over in Scotland, burying her grief, ignoring her demons, and forging ahead without attachments. Her solitary life is working well - until she moves into a new apartment on Dublin Street, where she meets a man who shakes her carefully guarded world to its core. Braden Carmichael is used to getting what he wants, and he's determined to get Jocelyn into his bed. Knowing how skittish she is about entering a relationship, Braden proposes an arrangement that will satisfy their intense attraction without any strings attached. But after an intrigued Jocelyn accepts, she realizes that Braden won't be satisfied with just mind-blowing passion. The stubborn Scotsman is intent on truly knowing her ... down to the very soul. Incredibly passionate and downright romantic, On Dublin Street is a captivating and bittersweet story of the redemptive power of love. Scotland's answer to E.L. James. Sunday Post This extraordinary debut combines a true gift for storytelling with a liberal dose of racy encounters. But what really sets it apart is exquisite characterisation, so vivid that the cast seeps into the reader's psyche. Daily Record Highly recommend this one. USA Today Samantha Young is a 27-year-old Scottish book addict who graduated from the University of Edinburgh. She currently lives in Scotland.
