

Once Upon a Christmas Wish

Widowed mother, Christina Madison, is a work-from-home seamstress struggling to make ends meet in order to support herself and her son. She finds it extra difficult during special occasions...like the upcoming holiday...Christmas. Ethan Forrester is a man on a mission to find a twin brother he never knew he had. Instead, he finds his brother's widow and little boy. He never believed in love at first sight until he met Christina. But is her attraction to him because of the man he is? Or because he's identical to her deceased husband?
