

## One Rainy Day

Poppy Meadows has a face of rare beauty. Like most other nineteen-year-olds, she enjoys life. And, oh, how she loves to dance! The only blot on her happiness is her dreadful boss in the office where she works... One rainy day, Poppy is delivering a letter when she fails to notice two people approaching and is knocked to the ground. The couple are full of apologies but Poppy brushes aside the young man's offer to replace her ruined raincoat. As she walks away with her head held high, Andrew Wilkie-Brook says to his sister Charlotte, I wish she'd let me help, but she wouldn't listen to me. Someone is listening, however, and her name is Fate...
