

StepShifter 11 - Alpha Billionaire Lover (StepShifter Alpha Billionaire Lover)

BOOK 11! Youve read about the billionaires who like to tie things with ... ties. Youve lusted over werewolves and werebears. Youve sent your blood pressure through the roof fantasizing about that pair of muscle-bound MMA guys whose sole focus in life is to bring you to the heights of pleasure. Youve perhaps asked yourself, self, why do all of these fantastic lovers have to be in different universes? Why cant there simply be one, all-encompassing, all-possessing man whose endless bank accounts and prodigious sexual talents are mine for the claiming? Or perhaps even two men? And why cant the stories be in short, easy-to-read snippets so I can get through JUST ONE GODDAMNED STORY before the kids start screaming bloody murder or that lazy husband of mine wants another beer from the fridge? Well, pine no more, for the StepShifter series is here! And whats even better, if you post on Ophelias page with what youd like to see the Dynamic Trio do in the upcoming books, your wish is her command. Your fantasies will spring to life in technicolor glory. Well, not really in technicolor, because if she made the books letters red, green, and blue, then the poor color-blind readers amongst us would miss out on the fun. But while the letters might be elegantly black, like the heroine, the language is absolutely racy. Purple. Red-hot passion. Definitely not for anyone younger than eighteen, or anyone without a serious sense of humor about how consenting adults might choose to pass the night. Or day. Or the time it takes a taxi to get from Grand Central Station to Yankee Stadium. Cmon. Take a look. You know you want to! Half of all proceeds of this tremendously silly short story series benefits battered womens shelters. Because we all need to smile.
