

Otherworld Nights (Otherworld Stories series)

Sunday Times bestselling author Kelley Armstrong captivated readers with her Women of the Otherworld series of supernatural thrillers. In this new anthology, favourite characters return in stories of drama, danger and desire. Legendary werewolf partners Elena and Clay stalk the pages of this book, along with vampires, witches, half-demons and sorcerers. Filled with fan favourites and rarities, Otherworld Nights concludes with a brand-new novella, Vanishing Act. This thrilling longer story is set after series finale 13, and features much-loved characters Savannah and Adam as they begin a new life - and a mysterious new case - together.
