

Color Me Pretty: A Tale of Recovery, a Happily Ever After, and the Success of Claire Simone (A Duet)

Color Me Pretty: the second and final book to Paint Me Beautiful. A New Adult Contemporary Romance. Recommended: Ages 18 and up. Im living through the ugly. Ive done it this time. Ive really screwed up. Ive made a mistake, and Im afraid that its going to cost me everything my family, my career and most importantly, Emmett Sinclair. He saw the beauty inside of me, looked past what I was becoming on the outside, and gave me his trust. Everyone thinks I tried to kill myself; I think I made a mistake. They all say Im halfway to the grave; I say Ive been reborn. Nobody knows what Im going through, so Im going to have to fight harder than ever before. The problem is, I no longer know exactly what it is Im fighting for.
