

Rubber Stamping (A Passion for Paper)

You will be amazed at what you can achieve in no time at all with Kim Reygate's expert guidance. Her original style and use of colour and texture are truly inspirational and the techniques she illustrates are clear and simple. Step-by-step photographs guide you through all the projects, and every page of the book is packed with helpful information. Masses of lavish illustrations provide inspiration for your own designs, and you will be amazed at how quickly you'll be able to put your ideas into practice, with stunning results. This is a book that will delight beginners and more experienced rubber stampers with its original content, its simple approach and its innovative ideas.
