

A Lovely Murder Down South

A Lovely Murder Down South is a real, heart-wrenching, bloody tale of three young ladies, coming of age amongst the hustlers, strippers, lesbians, sexual predators and even a serial killer. Atlanta has never looked so good or felt so bad as Lovely Sinclair and her friends Candace and Joy leave broken hearts and dead bodies in their path to the top. A Lovely Murder Down South begins a saga that will change how we view the south and elevate urban literature.
