

ALL - IN: Crime and Election: Romance, Power, Money and Scandal in Election Politics (Jack Canons American Destiny Book 1)

Romance, Wealth, and Power collide in this Scandalous Election Thriller! Jack finds what its really going to take to fulfill his destiny: To have the power, to dedicate the highest office in the land, to make things right. This time, Hes ALL - IN. Its the steamy summer of 2016 in Washington, D.C. Few days before the Democratic National Convention. A long and painful recession has left ordinary Americans suffering, spawning the hottest Presidential Contest in history. Jack Canon, a man born into privilege, a witness to great social injustice is going to be President of the United States--no matter what! Desperate and corrupt, the leader of the free world orders a hit to slow him down. The plan backfires--the wrong people are dead--a manhunt points to the unthinkable--The President of the United States. Rewind one year, Jacks focus on redistribution of wealth and energy has made him powerful enemies. Once his friends, Rogue Billionaires, Oil Sheiks, the Mob, all want him gone. The current President wants him alive--thinking he can win against an unabridged liberal. A Universal Raw Nerve of wealth vs. poverty is exposed becoming a thrill ride as deep machinations of espionage, geopolitics and deception, and murder play out. Kind and charismatic, Jacks just naughty enough to have you falling for him like one of his loving circle of loyal friends. Of course hes flawed, a dedicated family man, faithful to one woman, but in love with two. Is it his fault his best friend is impossibly jaw dropping beautiful? Think the crime and passion of the Godfather meets the romance and innocence of Camelot. A story that could spark a movement, a book that can seed a revolution. A heart-thumping climax so shocking youll pull the covers and draw the shades! One things for sure, through all the drama and suspense, youll be pulling for Jack!
