

Sensible and Sensational (The Jane Austen Diaries) (Volume 6)

Can a sensible girl learn to find her own kind of sensational? When Ellyn Dashwoods family moves to Bloomfield, New Mexico, she's not sure if she'll fit in as easily as her wildly popular twin sister, Maralyn, will. Though they're identical, the two sisters are exact opposites. Maralyn attracts people to her like bees to a hive. However, because Ellyn has autism, she's positive she'll never be considered more than awkward. That is, until she meets the totally hot Zane Ferrars. Zane is the tall, smart, hot, athletic, kind and did we mention hot? neighbor who has made it his mission to uncover Ellyn's secrets. She's a puzzle he's eager to solve. However, she soon finds out he's got a few secrets of his own secrets that will break her cautious heart if she's not sensible enough to be careful. This eagerly awaited new installment of the Jane Austen Diaries is a contemporary retelling of the classic novel Sense and Sensibility.
