

Pillar of Fire

In a desperate attempt to escape the grasp of a depraved leader, Talon and his young sister, Sun Flower, flee for their lives. They race deep into the primeval forest leaving behind everything they have ever known. Together they forge an unbreakable bond that will guide them on their quest to overcome seemingly insurmountable obstacles. Their only hope lies within the heart of an outcast warrior and the only woman he will ever love. It will take bravery, tenacity and great strength to face untold dangers. They will choose to fight for the freedom of their people or simply cease to exist. Returning to the breathtaking landscape she so vividly recreated in Keeper of the People, The Chosen One and Dreamkeeper, author Karah Quinney shares another stunning work of prehistoric fiction.
