

Pitchin A Fit (Dearing Family Series Book 2)

Book 2 in the Dearing Family Series The wedding for Ben Dearing and Christina Day is planned to be picture perfect, and the boisterous family has gathered for the big event. What could possibly go wrong? Christinas estranged mother, thats what. The alcoholic, abusive mother who wasnt invited. Two days before the ceremony Edna Day crashes the bridal shower and insists shes staying in town for the ceremony. Whats Christina to do? After her abusive childhood, standing up to her parent calls for strength shes not sure she possesses. Besides, if she tells her mother to leave, the woman could get madder than she already isnot to mention drunkand shame the Dearing family in front of the whole town. Edna wastes no time making enemies. Highly opinionated Jess Dearing is set on running her out of Justus. Ben wants her gone, too. Even Lady Penelope, the Dearings uppity Yorkie, will have nothing to do with her. Meanwhile Mama Ruth is trying to keep the peace. And feed everybody. Blending pathos and humor, Pitchin a Fit portrays the constantly shifting emotions between an abusive parent and grown child. How does a Christian forgive someone who doesnt seem repentant? What is the balance between forgiveness and maintaining healthy emotional boundaries? God is there to guide everyone through this mess of a weekend. But certain people may have plans of their own.
