

The Rough Guide to San Francisco 6 (Rough Guide Travel Guides)

This completely revised and updated sixth edition of The Rough Guide to San Francisco explores this colourful and vibrant city from downtown Market Street to the vineyards of Marin County. The highlights of the city and the surrounding Bay Area are introduced in full colour in the 24-page opening photo section. Throughout the guide, there are critical reviews of bars, clubs, restaurants and accommodation to suit every taste and price range. There are detailed neighbourhood and transport plans, with all listings easily located by grid reference. There is also incisive discussion of the city's history from the Gold Rush to the gay liberation movement.
